

Supervisory Skills

Course Overview

Supervisors are an extremely important part of the management team, since they are the management in closest contact with the people who actually produce the work.

As supervisors are the connection between management & the workforce, this course provides you with the key skills required by supervisors such as planning, controlling, human relations, problem solving, conflict management and motivating members of workforce.

Presentations and practice on key areas will be reinforced through the sessions to develop methods and techniques presented to apply to the individuals own work situation.
