

Train Of the Trainer (TOT)

Course Overview

This program is highly interactive with participants being the main focus. It concentrates on sharing learning experiences and hands-on involvement in training, before giving participants the chance to deliver a mini training session, and sharing feedback. The following points are not just outlines; they are participants' based activities.

Course Outline

- **Identifying Learning Styles:**
Introducing the 3 learning styles used to learn. Trainers have to mix these styles to capture every trainees' attention, as well as attacking learning points from various angles.
- **Conducting On-the-Spot Assessments:**
Boosting trainers' ability to assess audience levels. This ensures using the appropriate level/language to send the program message.
- **What makes a good trainer?**
Finding the key skills that help set a learning target for each trainer
- **Visual Aids:**
Pros and cons of teaching aids and their optimum use according to audience/venue/message
- **Accommodating the Adult Learner:**
Putting together a package that achieves learning objectives for all participants based on their individual motives.
- **Accommodating Learning Styles:**
Applying training techniques that caters for all participants' learning styles
- **Using Lecture Effectively:**
Augmenting trainers' personal styles with training techniques help achieving the maximum effectiveness of training sessions.
- **Facilitation Discussion:**
Guiding trainers' intervention to ensure and maximize a message has been attained by all trainees through their discussions, as well as handling trainees' communication issues.
- **Handling Class Interactions:**
Dealing with 10 different difficult types of trainees, dysfunctional behaviors and various class room mishaps! A recipe for successful group management.
- **Setting up Application Activities:**
Planning for exercises and activities to ensure learning points have been reached, retained and integrated and ready for live application.
- **Evaluating Trainer's Effectiveness:**
Evaluating trainer's effectiveness is an essential key for continuous improvement. When and what to do to keep trainers development continuum going (Kaizen approach)
- **Application/role plays:**
Implementing knowledge obtained on training programs is shown through participants' delivery of mini training sessions, with an in-class 360-feedback methodology.
